- Aman Kumar - 19BCS115
- Priyam - 19BCS089
- Akshat Mishra - 19BCS009
- Uattam Kumar - 19BCS108
- Nishikant – 19BCS079

INTRODUCTION

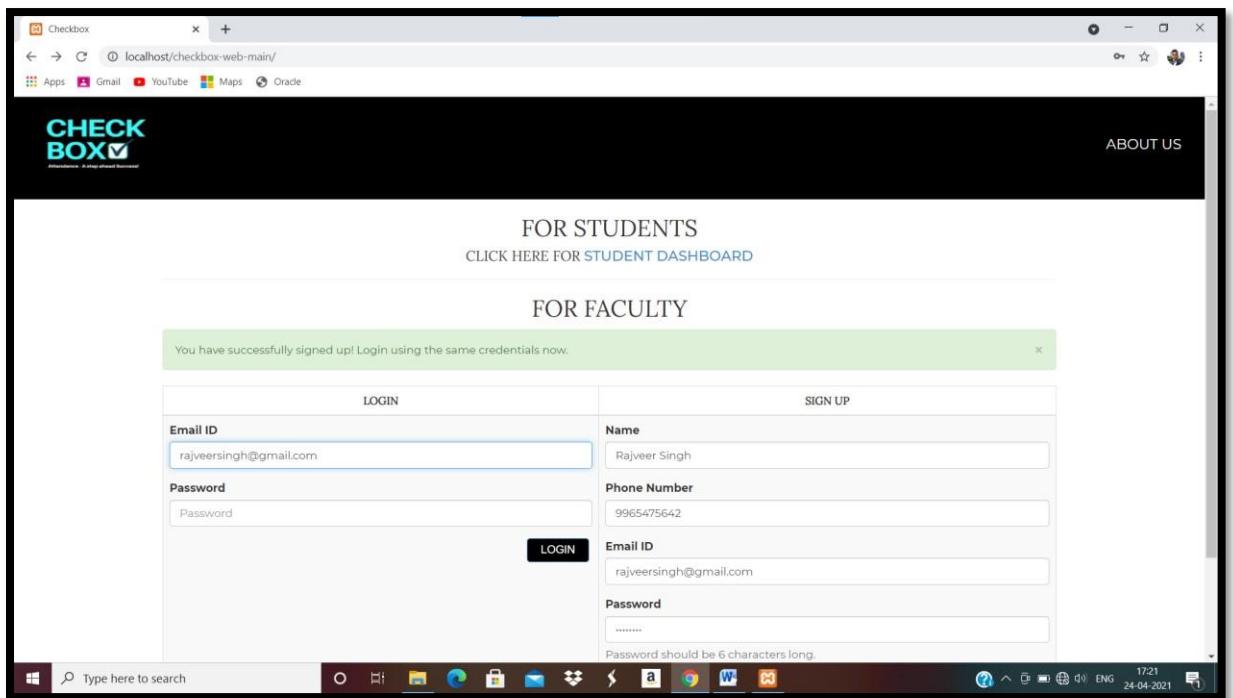

This is a website for teachers to manage their class attendance online which will help them to get rid of hard copy stuffs. Here, teacher could manage each student attendance date wise and can get details of each student's attendance detail in graphical manner. Likewise, students can also see their classes' attendance.

- First page of the website :

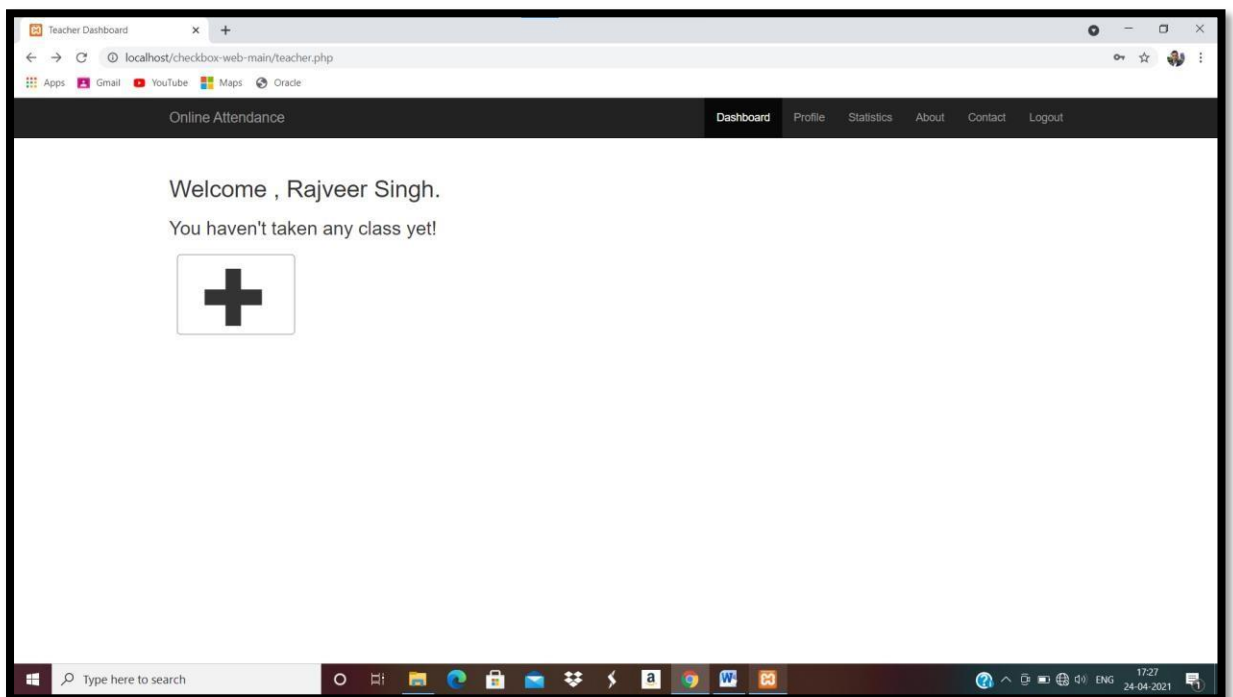

The screenshot displays the first page of the Checkbox Attendance Management System website. The browser address bar shows the URL as localhost/checkbox-web-main/. The website has a black header with the 'CHECKBOX' logo on the left and an 'ABOUT US' link on the right. The main content area is white and features a 'FOR STUDENTS' section with a link to the 'STUDENT DASHBOARD'. Below this is a 'FOR FACULTY' section with two forms: a 'LOGIN' form and a 'SIGN UP' form. The 'LOGIN' form has fields for 'Email ID' and 'Password'. The 'SIGN UP' form has fields for 'Name', 'Phone Number', 'Email ID', 'Password', and 'Re-type Password'. A 'LOGIN' button is located between the two forms. The Windows taskbar is visible at the bottom of the browser window.

LOGIN	SIGN UP
Email ID <input type="text"/>	Name <input type="text"/>
Password <input type="password"/>	Phone Number <input type="text"/>
LOGIN	Email ID <input type="text"/>
	Password <input type="password"/>
	<small>Password should be 6 characters long.</small>
	Re-type Password <input type="password"/>

- Enter the details as follows and click on sign up.
Then the following confirmation message will be shown:

- After successful sign up, now login.
As soon as you will log in for first time, this page will be seen:

- Add class by clicking on + sign.

Then enter the details as follows:
